# **BIDS ARE INVITED** ON NEW HOSPITAL

### Psychopathic Wards in Gallinger Institution to Be **Erected First.**

The Commissioners today asked for bids for the construction of part of the proposed new Gallinger Hospital, for which the city has been waiting for a number of years.

The group of four psychopathic wards, which are urgently needed, will be erected first. They will face on the line of Massachusetts avenue extended at 21st street southeast. When these buildings are completed the patients now in the old Washington Asylum Hospital will be moved into them. On the site of the old hospital will then be erected the general hospital building.
